COMMUNITY REMINDERS

Emergency Maintenance: A reminder that the emergency maintenance number is to be used for emergency work orders only. After office hours and on the weekends are the times in which this number should be utilized. During the week, and if the office is open, please email or call into the office for any emergencies. All non-emergency maintenance requests should be entered into Buildium.

24/7 areas: A friendly reminder that the 24/7 areas are non-reservable nor are they to be used for private events/large gatherings. These spaces are for all residents to enjoy, at all times.
