Everyone is invited to join the search! Orange OG eggs will be hidden around the clubhouse area containing small, fun prizes & candy. There will also be a handful of **golden eggs** hidden around with special prizes to claim!

Please RSVP if you & your family would like to participate so we can plan accordingly!

## Garden Plots

**GARDEN PLOTS WILL BEGIN TO BE RESERVED ON  
SUNDAY, 4/12**

*TO RESERVE A PLOT:*

*Go directly to the Community Garden on 4/12,  
Take a reservation flag, & follow the instructions listed.*

Please keep in mind that plots are available on a first-come, first-served basis and are limited to one per household on the specific side of the property where you reside. Since plots are reserved annually, previous locations are not guaranteed. By reserving a space, you agree to clear out your plot at the end of the season to avoid potential fines. Please ensure you follow these steps carefully, as incomplete reservations will result in the forfeiture of your plot for the year.

# PET OF THE MONTH

PETS LIVE THEIR DREAM HERE, TOO!

## Sherlock

*“The dog who puts the “King” in King Charles Cavalier”*

While his name suggests a high-stakes detective, the only thing this Sherlock is investigating is the bottom of a pizza box or the softest spot on the sofa.

Sherlock has the full run of the house and carries himself like true royalty, though he’s far more interested in being a friend than a ruler.

He’s incredibly passive and sweet, with a lazy streak that makes him the ultimate napping professional.

If there is cheese or pizza on the menu, Sherlock is there, otherwise, you can usually find him peacefully snoring in his favorite spot.
