PET OF THE MONTH

PETS LIVE THEIR DREAM HERE, TOO!

Pepper

Part alarm clock, part Olympic sprinter, full-time birder.

Meet our newest neighbor and Pet of the Month, Pepper! She's been settling into her new life at Orange Grand for about three months now after being adopted from Colony Cats in Dublin, and she wasted absolutely no time taking charge of the household.

Pepper jumped right into some very important daily responsibilities, like keeping a strict eye on the birds outside, playing with her toys, and acting as a furry alarm clock by waking her owners up at 4:00 AM every single day (long before their actual alarms go off) just to ensure they're never late for work... so thoughtful!

When she's not on morning wake-up duty, Pepper loves tearing through the apartment doing high-speed zoomies, which are always followed by a much-needed nap.

Her perfect mix of sweet and sassy personality has been such a welcome addition to the family, and we are so excited to highlight her this month!
